Fueling North Carolina's Future

**NCPCM 2020/2021 Heating Oil Tank Replacement Fund-Installation of New Aboveground Petroleum Storage Tank Rebate Form
 PRE-APPROVAL IS REQUIRED**

Appliance Rebate shall be approved before the purchase/installation of the fuel oil equipment via web site portal: <http://upgradeandsavenc.com/>

This form must be completed in full by a participating NC Fuel Oil Dealer. Submission of the application form constitutes a representation on the part of the participating NC Fuel Oil Dealer that the work shown on the form has actually been completed. The NC Fuel Oil Dealer shall confirm with NCPCM staff that funds are available before starting the installation process.

This form and receipts showing purchase of each tank must be submitted/uploaded online to the web site: <http://upgradeandsavenc.com/> for the customer to be eligible for consideration of any rebate(s). Failure to furnish all necessary documentation will result in the customer being declared ineligible for consideration of any rebate(s). The NC Petroleum & Convenience Marketers assume no liability for a customer being declared ineligible for consideration of any rebate(s). Rebate checks payable to NC Fuel Oil Dealers or can choose to pay direct to homeowner &/or contractor.

The "Heating Oil Tank Replacement Fund" (ending 5-31-2021) program is for low income families with old tanks. Fund will not be used to install new USTs. Fund will only be used to replace questionable ASTs or USTs with new ASTs. Must provide NORA Tank inspection form fill in by NC Fuel Oil Dealer. The NORA Forms are "Routine Fuel Oil Storage Tank Evaluation – In ground tanks" & Routine Fuel Oil Storage Tank Evaluation–Above Ground Tanks. Forms can be downloaded at: <http://upgradeandsavenc.com/>

After inspection by marketer using one of the attached forms for (USTS/ASTS), NC NORA would provide \$500.00 rebate for tank replacement upon submittal of proper form(s) and invoice for new tank.

***DISCLAIMER:**

The NC Fuel Oil Dealer seeking a rebate must submit a full and complete Application form. Submission of the Application form constitutes a representation on the part of the participating NC Fuel Oil Dealer that the work shown on the form has actually been completed. A validation inspection must be performed by the participating NC Fuel Oil Dealer after the installation of each new qualifying tank(s) and the result of that inspection must be documented on the Application and Tank Inspection Form. The NC Fuel Oil Dealer agrees to comply with all laws, rules, and regulations governing the installation of the qualifying residential fuel oil tanks and with the manufacturer's installation instructions & NC Building Codes. The NC Petroleum & Convenience Marketers assumes no responsibility whatsoever for the installation, inspection, permitting or testing of the qualifying tank(s) or any associated oil storage/piping system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying tank(s) or the associated fuel oil storage/piping system. This rebate will not pay for tank-piping removal. The NC Petroleum & Convenience Marketers disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying tank(s). Furthermore, NCPDM is not liable for existing site/tank conditions or removal of ASTs or USTs from site. This rebate is not affiliated with any other rebate programs.

*Additional rebate forms may be obtained by contacting Tim Laughlin at 919-782-4411, Cell
Phone; 919-801-4271 or email tlaughlin@ncpcm.org*
